WORK EXPERIENCE

Nov 2024 - Sept 2026

Marketing Officer

JVM Lending, Inc.

- Edited and published daily CEO blog content across WordPress and HubSpot, maintaining a consistent publishing cadence for both website and email audiences.
- Improved WordPress SEO performance through systematic keyword research, tag structuring, and alt-text optimization across all published content.
- Built a full video production pipeline from scratch, handling scripting, visual content, AI audio, thumbnails, and tagging, producing 8–10 short-form videos per week using AI prompt chaining across multiple platforms.
- Monitored and reported weekly social media performance via Sprout Social, translating data into actionable insights for the marketing team.
- Managed high-volume email marketing campaigns on behalf of the CEO, including Investment Spotlights and Tuesday Rate Quotes, ensuring timely and on-brand delivery.

July 2023 - Sept 2024

Graphic Designer 3

My Amazon Guy

- Managed design and branding simultaneously across multiple client accounts, delivering consistent output without compromising quality or brand alignment.
- Produced a full range of Amazon creative assets — Listing Images, A+ Content, Virtual Bundles, Premium A+ Content, Brand Stores, and Brand Story — from concept to completion.
- Led client design meetings to align on creative direction, reducing revision cycles and improving production efficiency.
- Built complete brand identities for new clients from the ground up, covering visual language, tone, and asset systems.
- Ensured all creative output strictly adhered to Amazon's design guidelines, minimizing compliance issues across all deliverables.
- Collaborated cross-functionally with Project Managers and Brand Managers to produce designs that met both brand standards and commercial objectives.
